

761—164.8(312) Applications. Applications for funding shall address needs in one of three categories: site-specific improvements, traffic control devices, or studies and outreach. Application procedures for each funding category will be distinct.

164.8(1) Applications in the site-specific improvements category shall be submitted electronically on forms provided on the department's website. Required information shall include:

- a.* The applicant's name, mailing address, telephone number, and a designated contact person.
- b.* A preliminary project concept statement, including a location map and a sketch plan. The concept must be reasonable from a traffic engineering standpoint and detailed enough to generate project cost estimates.
- c.* Justification for the proposed construction project. Justification may be based on a location's crash history, a location's crash risk, or recommendations from a traffic study.
- d.* Data showing the anticipated effect of the project on traffic safety. Data shall include crash history based on the department's current crash analysis software and the anticipated crash reduction as a result of the project.
- e.* An itemized cost estimate for the project including a list of the sources and amounts of supplementary funds for the project. Safety-related work items and quantities shall be listed separately.
- f.* A time schedule for the project.
- g.* The jurisdiction's official endorsement, where applicable, of the project and written assurance that the improved site will be adequately maintained for a specified period of time.

164.8(2) Applications in the traffic control devices category shall be submitted electronically on forms provided on the department's website. Required information shall include:

- a.* The applicant's name, mailing address, telephone number, and a designated contact person.
- b.* A list of the number and types of devices requested, and whether each is for initial placement or a replacement.
- c.* Justification for the requested devices, including compliance with the applicable warrants in the "Manual on Uniform Traffic Control Devices" (MUTCD) as adopted in rule 761—130.1(321).
- d.* A cost estimate.
- e.* A time schedule for installation.
- f.* The jurisdiction's official endorsement of the traffic control device project and written assurance that the traffic control device will be adequately maintained for a specified period of time.

164.8(3) Applications in the studies and outreach category shall be submitted electronically on forms provided on the department's website. Required information shall include:

- a.* The applicant's name, mailing address, telephone number and a designated contact person.
- b.* A description of the proposed subject matter and the goals or expected results of the effort.
- c.* A cost estimate.
- d.* A time schedule.
